5 Steps to submit your BCI research

- 1 Write a clear description in English that does not exceed 2 pages.
- 2 Include your full name(s), contact information, project title, brief description and current status of the work, images, figures and tables (if needed).
- 3 Make a short film to explain the subject matter of your BCI project submission. It should be 1-2 minutes long at the most and has to be spoken or subtitled in English.
- 4 Send the document as a pdf file and the short film to submit@bci-award.com before the indicated submission deadline.
- 5 Attend the BCI Award Ceremony during the 8th International BCI Meeting 2020 or send a delegate to receive the nomination and maybe an award!

The Jury

Aysegul Gunduz (Chair 2020), University of Florida, USA
Sergey D. Stavisky (Winner 2019), Stanford University, USA
Adriane Randolph, Kennesaw State University, USA
Steve Meng, Shanghai Jiao Tong University, China
Jörn Rickert, CorTec GmbH, Germany
Fabien Lotte, INRIA, France
